Information Regarding Boarding Your Pet

HOURS: Mon-Fri- See Hour Sheet

Sat & Sun 9am-11am & 4pm-6pm

*Arrangements to drop off or pick up your pet up 1 hour early or 1 hour late (7am-8am or 6pm to 7pm on Mon-Fri) may be made with **at least 24 hours advanced notice for a \$15 prepaid charge**. We will do our best to accommodate requests. **No early/late drop offs or pickups Saturdays or Sundays or between 1pm-3pm Mon-Fri.**

*****We do close promptly at closing times so arrive before closing time*****

*When you arrive at the **gate**, we will put any dogs enjoying play time back in their kennels and open the gate for you. If you do not see someone coming to open the gate within a short time, please **honk or call 281-516-7990**. *When we are cleaning kennels, the barking of the dogs/cleaning equipment, etc. make it hard to hear.*

LABEL items such as dog food bags and containers. Please be sure when you pick your pet up, you receive any items you left with us. We do our best to gather all items and have them ready for you, but *please make sure you receive all of your items upon check out.*

MEDICATIONS: Medications must be brought in *plastic pill keepers and sorted in daily doses by you*. If your pet receives medication in the morning and evening, please use a pill keeper with separate AM and PM compartments. If medication cannot be given in their food, please put each dose in a *Greenie's Pill Pocket treat* or similar product that does not need refrigeration. *Please make sure the pill keepers are labeled with your pet's name. Please have the medications sorted AND placed in the pill pockets and pill keeper prior to arrival.*

BATHS: Your dog's bath is scheduled according to the pickup time you have given us. If the time given differs from the actual pick up time, your dog may not have received their bath. We thoroughly check for fleas and ticks when giving baths, but please also check when you get your pet home. Because we are located in a rural area, even though we exterminate regularly, your pet poses a chance of fleas and ticks if not on a monthly preventative. Baths will not be given to dogs showing signs of aggression during bath time. ***Please make sure we have the correct pick up date & time and please contact us if the pickup date or time changes.***

ACCOMMODATIONS: Because you know your pet better than we do, please choose the inside or weatherproof lodging according to your pet's temperament. Anxiety due to boarding can cause nervous pets to chew on the chain link sections of the kennels in the weatherproof lodging. The indoor suites offer a calmer and quieter environment. If you choose the weatherproof lodging and your pet chews on the chain link or attempts to climb the chain link, they will be moved to an indoor suite.

SHARING ACCOMMODATIONS: If you chose for your pets to share an accommodation, we can not be held responsible for one pet injuring the other. WE NEVER SHARE ACCOMMODATIONS WITH DOGS FROM DIFFERENT FAMILIES.

We watch for signs of anxiety and discomfort and will remove any items that your pet may injure themselves on, such as dog houses, if your pet is chewing on them. Anxiety due to boarding can cause pets to exhibit strange behaviors and although we do our best to make your pet most comfortable and their surroundings safe, some will behave in a manner injurious to themselves. Many of these behaviors may not be exhibited during the day, but occur over night. We will do our best to prevent unforeseen circumstances but can not be held responsible for any injuries your pet causes to themselves. Although we disinfect thoroughly, there are certain illness that can be transmitted despite thorough disinfecting and vaccinations. If your pet shows any signs of illness after pick up, please notify us immediately.
